

concludes that your programme is robust and of great value to practicing teachers.

Furthermore, the track record of your company and your participation at global sphere is a testimony of your competence and ability to push the frontier of digital learning to next level, hence the Council consideration to accredit your programme in line with standard laid down for this principal activity.

You may wish to note that:

- i) This accreditation and endorsement need to be renewed after the expiration of two years of this letter.
- ii) TRCN desk officer(s) are expected to be invited from time to time to monitor the conduct of the programme.

Please accept the assurances of the Registrar/Chief Executive highest regards.
